shiloh programming  
from fall to spring

# Shiloh doesn't end when the summer does

Our Connections Program is an important and exciting part of what we do at Shiloh. Summer camp is an amazing experience and at Shiloh, we want our kids to have the chance to be plugged into positive programming year-round. Every week we host small groups events. These could be anything from attending the corn maze to going skating, sledding, volunteering, or just meeting for hot chocolate in the park. With the permission of the parents/guardian, there are also weekly one-on-one mentorship opportunities! Connections staff may meet our campers for coffee, help them with homework, come to their extracurricular activities, or take them to youth groups and drop-in centres. There is no cost for these activities!
